Taking Your Message to the Global Automotive Industry

About Autoline

- Autoline is dedicated to reporting on, discussing and dissecting the inner workings of the auto industry and the products that it makes.
- Our website has several channels that carry our different programs, blog, and other information resources.
- Autoline is often the first stop for auto executives, industry insiders, and consumers looking for the latest news about cars and the industry.

About John McElroy

John McElroy is an influential thought leader in the automotive industry. He is a journalist, lecturer, commentator and entrepreneur. He created “Autoline Daily,” the first industry webcast of industry news and analysis. And he co-hosts “Autoline After Hours,” a weekly live webcast that focuses on new cars and technology.

McElroy also broadcasts three radio segments daily on WWJ Newsradio 950, the CBS affiliate in Detroit. He writes a blog for Autoblog.com and a monthly op-ed article for WardsAuto. McElroy has appeared as an automotive expert on ABC World News Tonight, CBS News, and NBC Nightly News. He is often interviewed by CNN, NPR, and CBC in Canada. He is frequently asked to speak to automakers, suppliers and industry organizations. He is a member of the jury of the North American Car and Truck of the Year and has won numerous awards for editorial excellence.

What the Industry Says

“I am a loyalist. Your shows are special because it’s all about substance, challenging conventional wisdom, using data and informing them using subject experts. For auto insiders, Autoline and a few online consumer sites are my go-to, no BS content that moves the needle.”

Jim Farley, CEO, Ford

“I’ve known John McElroy for the better part of four decades. He’s one of the most knowledgeable and trusted voices in automotive journalism, and that is embodied in Autoline. Whether it’s the long-running TV show, or Autoline Daily, or one of their other exclusive online features, Autoline is a tremendous resource for information about our business, for anyone connected to or interested in the auto industry.”

Mark Reuss, President, GM

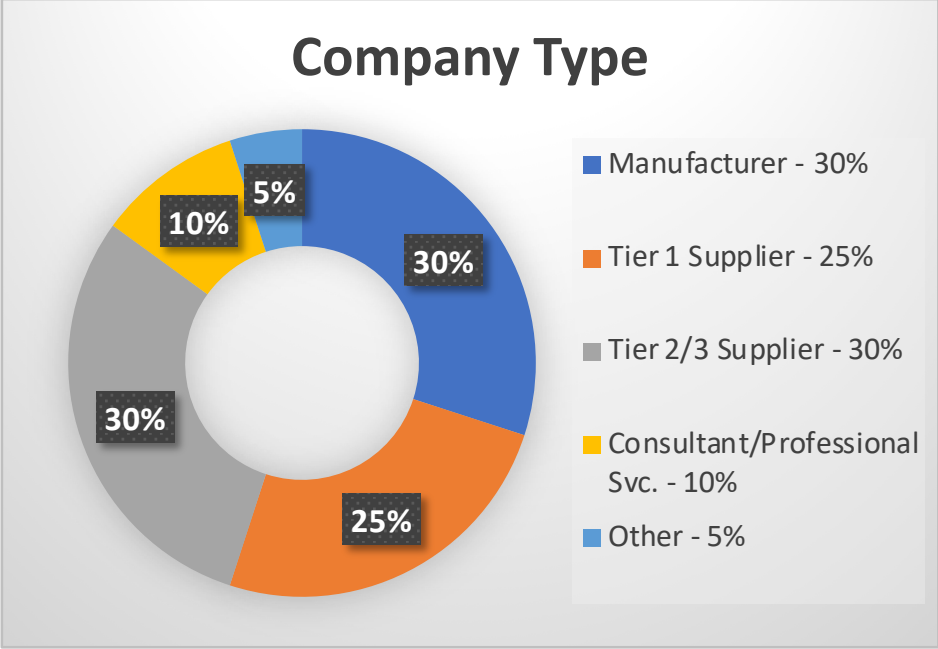

“Autoline is a great asset for the automotive community and beyond. John McElroy provides timely information and strong industry insight into all aspects of this rapidly changing industry.”

Julie Fream, President & CEO, OESA
